

I have lived in Corfe Mullen since 2000 when I relocated from Berkshire with wife Jan and youngest daughter Michaela. Since then I have setup and operated my own businesses in the village, related primarily to IT support and technology marketing.

I first became a Parish Councillor in May 2015 and currently appointed as Vice Chairman of the Council and a member of the Planning Committee and Community Services Committee.

As a keen sportsman (although my knees have alternative ideas for me these days) I am Chairman of the Corfe Mullen Sports Association and also a Trustee of the charity. I am a 'friend' of St Hubert's Church and the East Dorset Heritage Trust. I also serve on the committee of Corfe Mullen Home Watch.

Second only to my family, is my passion for cars, especially old Jaguars. I can often be seen with head under bonnet, in the boot, or underneath, fettling and tinkering with the latest addition to my driveway. If not, I've probably driven off to a rally somewhere in the country with the Dorset branch of the Jaguar Enthusiasts Club. If we ever get to meet, you would be wise not to 'talk Jags', because you'll never get away.

I feel honoured and privileged to serve on the Parish Council and as such pledge to work diligently in the interests of Parishioners at all times.
