The minutes of the meeting held on 23 June 2020 were approved.

4. To Consider the re-opening of the Village Hall **B**

A discussion took place in respect of the re-opening and Cllr P Holland noted the air conditioning could not be used and windows would need to remain open, which would not be ideal in the winter months. A suggestion to consider the installation of UVC lighting to the existing air conditioning as this had been mooted by some as a potential way to reduce the covid-19 infection. However, it would be carefully considered before any outlay of expense.

It was **AGREED** to add to the risk assessment that the use of air conditioning within the hall will be banned until government guidelines allow its use.

It was **AGREED** to accept the recommendation of remaining with the reopening date of 7 September 2020 to allow time for signage and cleaning to be established. Both Andrea (cleaner) and Paul (caretaker) to return on Friday 4 September 2020, in readiness for lets to commence on Monday 7 September 2020. Brenda

(caretaker) to return on Monday 7 September. All staff would remain on furlough until these dates. Cleaning company to be instructed to commence on Tuesday 8 September 2020.
