

## **Profile – Cllr Scott Florek**

Hello! Originally from Chicago, I have lived in the UK for the past 16 years, 11 years being in our lovely community of Corfe Mullen. Before coming to the UK, I worked in the airline industry for 15 years where I held several leadership positions as well in training and recruitment. I love that Corfe Mullen is a thriving, kind, vibrant community. I will do my best to ensure our community remains the sort of place that families want to raise their children and all residents can enjoy the green spaces we have around us. Though I am the newest member of the town council, I have attended almost every meeting for the past 4 years and understand the concerns and issues that come before council.

I currently work in a local cafe where I am able to chat with several Corfe Mullen residents. I live with my partner, two children, and our new black Labrador puppy.
