

Dave Everett

I was born and bred in Corfe Mullen as were my wife and 2 daughters. In fact, I had lived in the family cottage for the whole of my life until March 2017 when we moved to Central Avenue

I have been a parish councillor for over 40 years and have followed in my grandfather's footsteps as he was also a parish councillor. I am now retired having previously worked in the electrical trade. My hobbies are wildlife, walking and gardening.
