

## Youth Club will re-open November

We would like to congratulate the Corfe Mullen Youth Trust and its excellent staff team for a successful launch of the new Corfe Mullen Community Youth Club. Numbers attending last term were in excess of 50 per session which is fantastic.

The Parish Council continues to financially support the Trust, as we feel it is very important for young people to have their own social space to go to. It also means that young people are occupied and less likely to get drawn into anti-social behaviour. Over the summer holidays the youth workers arranged trips to Thorpe Park, Chessington, Dorset Water Park and ice skating at Gosport which were thoroughly enjoyed by everyone.

The Youth Club is currently closed so that the building can be split in two. One half will be for the exclusive use of the School, the other part will be for community use, and the youth club will re-open there at the beginning of November.

The youth workers will continue to work with young people in the village on an outreach basis on Thursdays and Fridays whilst the building is closed. They will also continue to run the Duke of Edinburgh Scheme.

For further details please phone Nigel Christopher, Youth Leader on 07724 585984 or via email at [nigel.cmyc@gmail.com](mailto:nigel.cmyc@gmail.com)

## Village Hall roof replacement

We would like to thank all our customers and village hall users for their patience and understanding whilst the roofing works are being undertaken.

We hope that the roof will be completed mid November, but this is subject to weather of course.

The works are part of a continuing improvement programme and are being funded by the Village Hall itself with a 30% contribution from the Parish Council.

### NOTICE TO EARLY MORNING DOG WALKERS

Please can you remember that not everyone is up and about very early in the morning!

Some residents who live adjacent to the recreation ground have reported being disturbed by dog walkers talking or calling their dogs.

Your consideration would be very much appreciated.

## Vandalism at the cemetery

We were sorry to be alerted to vandalism at the cemetery on 11th September. Lots of plastic and rubber had been strewn everywhere and it took a good while to clear up.

It is not certain when this occurred, but if any residents did see anything, please do not hesitate to contact us.

- If you see any damage being undertaken at any Parish Council site please phone 999 and let the Council know as soon as possible.
- A reward is payable if the perpetrator is convicted.

## Your local Police

### Safer Neighbourhood Team Report

I would like to make residents aware of two current scams.

#### **Calls from scammers claiming to be calling from Microsoft.**

They explain that there is a virus on your computer and invite you to allow them access remotely to your computer. Once in control they have access to all your files, normally at this stage the scammers asks for payment before they remove the virus. If you have online banking they ask you to transfer money there and then. As the scammers have access to your computer they can see everything you are doing down to individual key strokes.

- If you receive a call like this simply just hang up
- Don't allow anyone remote access to your computer unless you know and trust them.
- If this does happen turn your computer off at the wall as soon as possible, this will break the remote access immediately

#### **Calls from scammers claiming to be calling from HMRC.**

They claim that you have unpaid taxes and they are planning to take you to court. They give you the option of paying them now over the phone and the case will be dropped.

The other variation of this scam is they claim you are owed a tax rebate and would like your bank details to pay it in. In turn they will pretend pay in too much and ask you to pay them some back.

- If you receive a call like this simply just hang up
- Never give your bank details out over the phone

If the HMRC need to contact you, this will always be done in writing, never over the phone

- **If you believe you have been a victim of a scam please contact Action Fraud on 03001232040 or online at [www.actionfraud.police.uk](http://www.actionfraud.police.uk), alternatively call Dorset Police on 101**

#### **Towers Way Goal End**

The Parish Council has had to make some very expensive repairs to the goal end mesh because children are climbing up the structure.

This is not a climbing frame, and the mesh is not strong enough to cope with this activity. Just one panel costs about £400 to replace

If you see any children climbing please ask them to stop, and also if you have any children who use the Towers Way Amenity Area please make them aware.

Thank you.

#### **Dorset Alert**

For a great way of keeping up to date with crime, events and news in your area we would urge you to join **Dorset Alert**. It's completely free and only takes a few minutes to register. Simply visit [www.dorsetalert.co.uk](http://www.dorsetalert.co.uk) and follow the simple steps.

You will receive regular emails with crime updates, up and coming events and good news stories.

#### **Like us on facebook**

You can also like us on Facebook. Just type in '**Wimborne Police Station Safer Neighbourhood Teams**' and the 'like' button.

#### **Home Watch**

I would like to encourage all residents to join the Home Watch team in Corfe Mullen and play a really important part in making Corfe Mullen safer. Please contact Peter Whittam (chairman) 01202 692313.

#### **Crime Prevention Products**

Please feel welcome to attend the village hall coffee morning in Towers Way and speak to a Home Watch member and your local Corfe Mullen Neighbourhood Policing Team, between 1000-1130 on the last Friday of every month. We have a selection of crime prevention products for sale.

#### **Recreation Ground hedge by play area**

This has had to be severely cut back both in height in width as it has got very over tall and its width means that children are getting inside and using it as a den and damaging fence panels behind.

The hedge will look very unsightly and not green but it will recover over the coming months.

#### **Wildflower meadow at the recreation ground**

This feature, located in the upper triangle of eastern rear field, was the idea of the late Roy Hanham, former Parish Clerk.

An information stone will be erected in the coming months and the Parish Council has decided to name the meadow 'Roy's Meadow'.

## Dorset Local Access Forum

### Improving Public Rights of Way and Public Green Space in Dorset

#### Recruiting Now!

- Advising on improving Public Rights of Way and Public Green Space
- Includes Footpaths, Bridleways, Byways, Restricted Byways, Access Land, Country Parks, Conservation Landscapes

### Corfe Mullen Lawn Tennis Club

We have a number of teams playing in the LTA Dorset Doubles Winter and Summer Leagues and the last two seasons have had some great successes with all our teams doing well.

#### Summer Season – 2017

We entered six teams in the Dorset Doubles Summer Leagues, which have just ended. Our Men's first team topped their division and have gained promotion to division 2, after only going up to division 3 last summer. Men's 2 avoided relegation from division 5, finishing 5<sup>th</sup> out of 7 and the Men's Vets team had some close matches to finish 3<sup>rd</sup> out of 4.

Both Mixed teams finished mid table in their respective divisions. The Ladies team were promoted last summer but found division 2 challenging, and will be back in division 3 next summer.

#### Winter Season – 2017

We are looking forward to the Dorset Doubles Winter Leagues which are just about to start and will have six teams playing. Our Men's Vets and Mixed 2 teams gained promotion last winter, both finishing second in their divisions. The Vets team were only in their second year of playing and the Mixed 2 team finally managed to clamber out of the bottom division, a notoriously difficult division to leave as all new teams have to start here. They will be trying hard to meet the challenge of playing in their higher divisions this season. As well as the two other men's teams and the Mixed first team, we have also entered a Mixed Vets team this winter, so watch this space for how they all get on.

For more information about the club visit [www.cmltc.co.uk](http://www.cmltc.co.uk) or contact Bridget on 01202 658980.

## COMCA

Corfe Mullen Community Aid  
is a local charity which runs a  
voluntary Community Transport Scheme

Over 25 years in  
operation

Over 25 years in  
operation

- Help needed with taking our calls on dedicated number – people with answer machines on a rota basis.
- Drivers with the odd hour to spare are always needed.

For details Ring Anne Holland on 01202 697998

Charity No: 900579
