Dear Parent/Carer

New term new year groups, new challenges we're always here to listen and help!

We re-open next week for members and if already registered we just need to be notified of any changes to contact details or medical information for you/your children.

You will notice below that club nights will have changed days and your child may have another activity already on their club night this doesn't mean are no longer members or can't join in on the activities when they are available. You will still be included in emails unless you opt out by letting me know.

Our club nights for members are:-

Tuesday for Year 9 and above  
Thursday for Year 7's  
Friday for Year 8's,

Sessions will still be between 7.00 pm and 9.00 pm and cost £2.

For the older members we will be looking for volunteers on a rota basis to help run the coffee bar and activities on year 7 and 8 nights. This would work in well if they need a volunteering opportunity for The Duke of Edinburgh's Award or Scouts or Guides.

All sessions will still be staffed by fully qualified youth workers and volunteers, all of whom have been DBS checked and safeguarding procedures are in place.

We are busy planning the new programme which the members will help to choose and this will be published, along with the rules of the Club, and the Covid risk assessment on the Town Council's website <https://www.corfemullen-tc.gov.uk/> or by emailing the address at the top of this letter.

Job opportunity:

If you think you may have the skills to become a Youth Support Worker please contact me as we are looking for new paid staff on Thursday and/or Friday sessions. Please contact myself or the Town Council if interested. Full training is available.

Yours sincerely

*Nigel Christopher*
