Citizens Advice – Here For Residents

With winter approaching and the on-going cost of living crisis, many people are increasingly worried about how they are going to pay bills, heat their home and put food on the table.

Citizens Advice in East Dorset and Purbeck would like to remind residents to seek help early on and that they are here to offer free advice and support.

Experienced advisers are available to provide support about a wide range of issues including, debt, energy advice, employment, benefits and housing. There is a range of support available particularly to low income households which many residents many not know about.

Advice is provided through multiple channels including telephone, email, video conferencing and face to face from their offices in Wimborne and Wareham and from outreach services across the region. Home visits are also offered to those more vulnerable people who are unable to access these services.
