

PROPOSED TEMPORARY CLOSURE OF RUSHALL LANE, CORFE MULLEN

I have received an application from Openreach to close Rushall Lane, Corfe Mullen between Florence Cottage and Stony Down Farm (in both directions), a distance of approximately 250 metres. The closure has been requested to allow Openreach safe access to their overhead network to carry out cabling works. These works are programmed to commence from 09:30, 18th August 2021 until 15:30, 18th August 2021.

Openreach will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Tom Faulkner, (traffictteam@dorsetcouncil.gov.uk) by 5th August 2021.
