PROPOSED TEMPORARY CLOSURE OF WATERLOO ROAD, CORFE MULLEN

I have received an application from Scottish and Southern Power Distribution to close Waterloo Road, Corfe Mullen between Broadmoor Road and Little Manor, a distance of approximately 240 metres. The closure has been requested to allow Scottish and Southern Power Distribution to carry out works to provide a new supply. These works are programmed to commence from 12th August 2024 until 16th August 2024.

Scottish and Southern Power Distribution will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Jamie Igoe, (trafficteam@dorsetcouncil.gov.uk) by 24 July 2024.
